

Spoofer Calls Impersonating Oak Bank

We are alerting you to a recent surge in spoofed phone calls targeting Oak Bank business clients.

Clients have reported receiving calls from individuals claiming to be with “Oak Bank Treasury Management.” In some cases, the caller ID displays our main number (608-441-6000). The callers are asking clients to log in to online banking or referencing recent ACH activity.

If you have any questions about ACH activity or receive a questionable call, please contact a member of our Treasury Management team directly by calling 608.250.5558. We can verify activity and assist with any necessary security updates.

Please remember:

Oak Bank will never call you to ask for your online banking login credentials or password.

Do not share secure tokens, verification codes, or account access information over the phone.

If you receive a suspicious call, hang up immediately.

Thank you for your continued vigilance.

Need help with your account?
