

Oak Bank Conforming Loan Payments Notice

Conforming Loan Payments are posted (i.e. credited) on all business days depending on the time you make the payment and the method you use to make the conforming loan payment. In order for your payment to be considered conforming, payments must be made in U.S. currency, and must be accompanied by the account number or payment coupon provided. Nonconforming payments may take longer to process.

Business days are Monday-Friday, excluding Federal Holidays
